

DELIVERY DETAILS

To assist in the smooth delivery of goods to your stand, all deliveries must be addressed as per the delivery notice on the following page.

Neither the ICC, Sydney nor the Organiser's will take delivery of any goods, packages or other material on behalf of exhibitors, nor will the Organiser accept responsibility for the safety or wellbeing of any such items delivered to the site in the absence of the exhibitor, his or her agent or contractors.

Deliveries are to be made to the ICC no earlier than:

- **8am Friday 31 May for SPACE ONLY**
- **8am Saturday 1 June for SHELL SCHEME STANDS**

If you can't get your items delivered to the ICC during those times you can arrange for them to be delivered to Agility's warehouse before the show. Please contact Agility directly. Contact Louis Dodgson T: 03 9330 3303 E: ldodgson@agility.com

The show bumps in on very tight parameters and deliveries will not be accepted at the venue earlier. Furthermore, all freight must be removed from the ICC as per the communicated times – no exceptions.

For these reasons, we highly recommend using Agility as their service is door-to-stand and they work weekends and outside normal business hours.

Goods must not be sent before the scheduled times for the move in of the show. All goods must be collected by the end of the official move out time (any items left will be stored with Agility Fairs and Events at a cost to the exhibitor).
